TO : All Shipping Agents

Gentlemen,

Separation by vessels of ship generated food waste

We beg to inform you that the Authority has implemented the provisions of the E.U. Regulation 1774/2002, of the E.U. Directive 1999/31/EK and of the relevant national legislation for the collection from vessels of international schedules/itineraries arriving from third countries, of the ship generated food waste and subsequently their conveyance in special installations for incineration or for their burial.

As a result , I request you to advise the vessels represented by you that at their next berthing at Cyprus Ports, they should implement such provisions of the law, delivering to the Authority the generated food waste in special bags of polyethelin according to the existing regulations.

It should be noted that in the case of non compliance with the above – mentioned directive, it will cause the imposition of a fine , according to the relevant legislation.

Yours faithfully

.....
